Note: Links in this form may open in the same tab when viewed in a browser. To keep the form open, right-click and choose "Open link in new tab"
Note: The 'Send form' button may not function correctly when the form is opened in a web browser. Please open the form in a full-featured PDF application or save the form and email it to SupplierContact@kemira.com

Your products & services

* Major markets (country and industry)

Major reference customers - please provide name of company and contact person information (position, email address, phone number)

Sustainability

At Kemira, we have set ambitious climate targets and are committed to working closely with our suppliers to reduce greenhouse gas (GHG) emissions. To support this effort, we're seeking to better understand how our suppliers can contribute to improve our value chain impact. More information about Kemira sustainable sourcing and Product Carbon Footprint (PCF) reporting is available on [our website](#).

Ecovadis overall score (if available)

Would you be willing to do an Ecovadis assessment if not done already?

Yes

No

Briefly describe your company's sustainability approach and value proposal with the specific offering you have for Kemira (if the information can be found on your website, you may also provide the URL)

Code of conduct

Kemira's suppliers, agents, distributors and other business partners must follow our Business Partner Code of Conduct in their business activities with us:

[Code of Conduct - Kemira](#)

* I have reviewed and understood Kemira CoC

Privacy statement

* I have read the [privacy statement](#)
